Please note that colours/finishes shown in this brochure are intended as a guide only. Product information correct at time of publication in July 2010. The company has a policy of continuous product development and reserves the right to change any product and specifications given in this brochure.

This collection of bedroom furniture is crafted from a mixture of solid Birch and Birch veneers with a gently distressed handpainted finish. Inspired by 18th century French furniture designs, the gentle curves and soft tones of the paint finish combine to create a range that is both stylish and sophisticated.
